1. With great pride and an immeasurable degree of thanks, I'd like to recognize your outstanding efforts following the FA-18 mishap on April 6th, 2012 in Virginia Beach, Virginia. Your diligent work ethic and tireless dedication ensured that residents who were affected and displaced received the support they needed.

2. In the weeks after the mishap, my goal was to support every resident of the surrounding community and every citizen of Virginia Beach as fully as possible. The assistance that you provided was exceptional and your compassion and care were critical to the successful accomplishment of this goal.

3. As a direct result of your efforts, the entire community observed first-hand the high standards and well-deserved reputation of the United States Navy. Your actions also helped ensure that the reputation of Naval Air Station Oceana as the premier Master Jet Base in the Navy remained intact. I am extremely fortunate to work alongside professionals like you every day.

4. Thank you and congratulations on a job "Well Done!"
